BIG BROTHER OUT OF CONTROL

metadata & dragnet surveillance exposed!

investigating.....

What is Metadata & Dragnet Surveillance?
How 'authorities' thereby commit treason & fraud?
What personal liberties are being eroded and sacrificed?
What does the future look like should these crimes continue?
How do we prosecute so-called 'authorities' & governments gone rogue?
How do we hold publicly elected 'officials' personally liable for 'wet-ink-signature'?

Join New Earth Nation Institute in a 'live' online symposium,
with world-leading figures discussing the status-quo
as it continues to defile common civil liberties
in advancing a so-called 'new world order'.

We don't need to be Micro-Chipped....
All the Data & Technology is here!
